

AYLWARD ACADEMY CROWNED AET MATHS CHAMPIONS

YOUR MONTHLY GUIDE TO THE SCHOOL NEWS, INFORMATION AND EVENTS

Major Success as Aylward Crowned AET Maths Champions

We are proud to announce that we are the champions of the 2016 AET Maths challenge!!

The competition took place over a period of two days with 15 students representing the school on each day. Day 1 was aimed at C/D borderline students and day 2 was for B/A students. Our students competed against other pupils from AET academies - taking part in six sessions throughout the day. There was a lot of pressure on both groups of students who had to perform exceptionally well for Aylward to become the overall champions and whilst there was a competitive edge to both days, the main purpose of the event was to revise and reinforce key topics in preparation for the GCSE Maths exam.

Ms Altaf & Mr Sfarjilani

YEAR 11 MATHS TEACHERS

Ms Altaf

Mr Sfarjilani

Mr Uddin

Mr Ching

Ms Chambers

Mr Abebe

Mr Nyingi

Mr Oza

Day 2 was aimed at students currently working at grade B who could convert to an A. Our students again did perform very well to the credit of Aylward and finished second.

This meant we were crowned as the overall champions!!

On day 1 students who are currently working at grade D to C had 5 sessions focusing on key themes from Geometry and Measures. The students finished first having accumulated top marks in most of the sessions that were delivered.
