

21st March 2014

Dear Parents/Carers

Re: NUT Strike Action – 26 March 2014

As I am sure you are aware, there is a national N.U.T. Teachers Strike this coming Wednesday.

As members of staff will be absent, we are not able to open the Academy for all students and will need to prioritise those students in Years 11, 12 and 13. These students should attend the Academy at the usual time. All students in Years 7-10 should remain at home. For them, this will be a major opportunity to catch up on all outstanding work, particularly coursework.

Students should make sure that their current D.E.A.R reader is available for them at home and make full use of 'My Maths' on line. Year 7 students will have 'Lexia' on line so that their personal literacy can be furthered on this day.

Best wishes.
